#### FLITTERGOLDTAKESAPURSE

BROTHER TO FAIR PLAY WINS FEATURE RACE AT PIMLICO.

J. S. Tyree, of Washington, Shows Up a Promising Two-Year-Old, Herbert Temple, in Race for Juvenile Maidens.

Baltimore, Md., November 3.—Election day was marked by a big crowd at Pimiico, and with the attractive card offered, the sport was all that could be desired. The Towson Steeplechase and the Stafford Purse, a six-furlong dash, were the special features. Angust Belmont won the latter with Flittergold, a brother to Fair Play. Seven went to the post, with the Montpelier Stable's Pomette Bleu a strong choice. Ten Point, looking better than he has in recent races, went to the front at the start and showed the way to the turn, with Flittergold at his saddle girths. Swinging for home Ten Point gave it up and Water Lady took his place. Butwell saved ground on the turn and drew into a lead of a length. Pomette Bleu came with a rush in a game effort, but Flittergold, with his advantage at the start, got home in front.

J. S. Tyree uncovered a promising colt in the fifth in Herbert Temple, by Hastings—Josle L., and consequently a half brother to Horron. The tip was abroad on Herbert Temple and he was a big favorite. Shuttinger let him get into his stride before going after Thrill, the early pacemaker, and at the turn the Tyree colt was on even terms with the filly. He was green and inclined to swerve, but Shuttinger kept him straight enough to win. The colt will doubtless show a better performance next time. He is said to have ontworked Protector, the best colt in the Tyree barn.

The condition books for the first week of the Palmetto Park meeting at Charleston arrived today and were distributed among the horsemen. From present indications the coming meeting will excel any ever given at Charleston. The fact that the association has announced that the ring will be an open one, will help the meeting greatly.

Brush was ridden by M. Daly, a son of Mike Daly, It was the first mount that the lad ever had through the field.

One of the assistant starter's whips became entangled in Joe Finn's tall and he dragged it behind him throughout the fourth race. This undoubtedly retarded the horse.

Jockeys Clement Grand and D. Holly were each suspended by the starter for four days.

#### GENERAL NEWS NOTES OF THE DAY.

Official announcement was made at Petrograd that Russia had refused to accept a tardy explanation from Turkey of the Black Sea raid; that the Turkish charge d'affaires had left Petrograd, and that the Russian ambassador had been withdrawn from Constantinople. It was further stated at the foreign ministry that a state of war existed between Turkey and Russia, but that neither country had issued a declaration of hostilities, Dispatches received by the war office report that Turkish troops have attacked the Russian forces in the government of Kars, southeast, of Trebizond. It is believed that several corps of Ottoman troops have been concentrated in this district to overrun Trans-Caucasia. The Russian government has ordered that all Turkish subjects within the borders of Russia shall leave within a week. It is officially announced at London plat the British cruiser Minerva has bombarded the forts of the Turkish town of Akaba and destroyed the barracks. The troops are believed to be under the command of German officers. It is authoratively stated at Rome that Italy and Great Britain have agreed to stand together for the common defense of their colonies in Africa if Turkey goes to war. The understanding may become operative at any moment. The tremendous German assault at ypres is believed by London observers to have been repulsed decisively, but this has been at terrible cost to the flower of the British ramy, which apparently has suffered as severely as did the Belgian forces which bore the first brunt of the seacoast battle. Concerning the situation along the river Aisne, the reports from Berlin and from Paris are sharply contradictory. The Germans declare they have made distinct progress, while the French assert that all the violent German assaults have failed. The tunult of battle has rolled back from the Belgian lines around Ypres, the Germans evidently are diverting their attack toward a more southerly point. Much activity on the part of the German morbile columns is reported from Belgiuna, and there is eviden

G. H. Keene will again try racing at Juarez the coming winter, after having been out of the sport for a couple of seasons owing to being interested in big land deals in the far West which called for all his attention. He will take to Juarez at least four serviceable horses, which will be trained and raced by him separate from the horses that his brother, J. O. Keene, is sending there and which will be trained by Tommy Taylor.

will be trained by Tommy Taylor.

Colonel W. E. Applegate, who has returned to Kentucky from a consultation with Matt J. Winn, manager of the Juarez track, says that so many applications had been made by prominent book-makers to operate at Juarez this winter that it is not as yet certain whether or not the ring will be syndicated. In the event that the ring is a syndicate one, however, Colonel Applegate will be in complete charge, with a \$200,000 bank roll.

"If I am in charge," said Colonel Applegate, "horsemen and public alike will be satisfied with conditions, as we will book with a small percentage and stand ready to accept all wagers of any amount."

#### JUAREZ TRACK NOW BEAUTY SPOT.

El Paso, Tex., November 3.—The beautiful plant of the Jockey Club Juarez at the present time cannot fail to impress the visitor. The vast improvements undertaken since racing closed last spring have been completed. Superintendent Frank Keegan, who has remained on the job steadily, now has everything in splendid shape and another week will see the last coat of paint applied and the plant complete and ready for its sixth racing season. The infield is a veritable carpet of green, while the new buildings upon the grounds, together with the old ones, have been painted in the official colors, green and white, which contrast gives a beautiful effect. Nothing has been left undone to improve the place and today the course stands as probably the most complete upon the North American continent.

Horses continue to arrive daily for the coming meeting. There are already about two hundred upon the grounds. Two carloads came within a few days from Vancouver, one of which contained the horses of W. H. Bradford, consisting of Andrew O'Day, Bertha V., and Quick Trip; J. Pelter's Mary Endly, Chief Desmond, and Ida Cummings; W. Covington's Black Mate and Fels; E. H. Short's Melts; W. DeBolt's Light Knight, and J. Hoskins' Hazel C.
